

Ruth: The Inconsequential Outsider

The Weft And Warp Of Scripture

The word of God is like a vast tapestry, its main theme interwoven with many sub-plots and side stories that run like golden threads through an intricate design. Each of these threads complements the complete telling of [God's story](#) and narrates again and again to us the way in which God views our world and us, the people who inhabit it.

The story of Ruth, a seemingly inconsequential outsider, is one of these golden threads. At face value, it appears to be a brief narrative concerning an unimportant family, living in a [small and insignificant rural village*](#). It hardly seems a grand stage on which the compelling drama of God's purpose is to be acted out.

The story is placed within the time period known as "The Judges" (thought to be around 1220 – 1050 B.C.), when heroes like Samson the Mighty and Ehud the Brave lived- impressive and inspiring characters, who took centre stage in the dramas that unfolded around them.

The story of Ruth seems, at first glance, a strange and somewhat ordinary inclusion in the rather extraordinary cast that surrounds it. And yet, when we consider each part of this remarkable story, we understand that we are being told something very important about God and about ourselves. We learn that God sees into our hearts (1 Samuel 16:7). He is more interested in what we can become, than in who we are right now, and that our very ordinariness is what God sees and works with to bring us to an extraordinary place.

In fact, God often does some of His best work with the most

unlikely people, as the story of Ruth proves.

Who Was Ruth?

Ruth was, by definition, an outsider. She was not an Israelite but a native of the country of [Moab](#), a mountainous tract of land now in modern Jordan. She had married an Israelite man who was living in Moab with his family; his parents and his brother. The family had relocated due to a famine that had occurred in their homeland and in chapter 1 of the story, Ruth and her husband had been married for 10 years before he, and his brother, both fell ill and died.

It seems tragedy had already befallen the family previously, with the death of Elimelech, Ruth's father-in-law, very soon after the family's relocation. The death of the sons now left Ruth, her sister-in-law, Orpah, and Naomi, her mother-in-law, as widows, in probably very bleak circumstances.

Ruth was, of all people, an unlikely heroine. Not only was she a woman, in a time when women were of minor importance, but she was also now a widow. Finally, she was poor and foreign and would have been considered an outsider to any true-born Israelite.

Ruth's Story

Ruth may have been poor in position but she was rich in love and faith. When Naomi, her mother-in-law, made the decision to return to her homeland of Israel, Ruth did not hesitate to follow her. She left all that was familiar, everything that she was culturally connected to, and, much like [faithful Abraham](#) before her, she *"went out, not knowing where she was going..."* (Hebrews 11:8).

She heard the call of God and she followed, with an implicit faith and unswerving devotion. She trusted the journey and embraced the destination, even though she hadn't yet seen it.

This is the definition of faith (Hebrews 11:1-3). Faith is what distinguishes her character and faith is what motivated her choices, which become more and more evident to us as we discover her story.

The story is short in its telling and it's well worth pausing here and [reading it quickly for yourself](#).

Like every great story, it contains all the important elements of interest; drama, grief, desolation, decision, redemption, and resolution. As a stand-alone story, it would be successful in its own right. Yet it is the conclusion to the story that makes us really sit up and take notice. This is where we realise that nothing is an afterthought to God, nobody is *actually* inconsequential and His plan is purposeful and far-reaching.

He has a definitive purpose and plan and every single person can play their part. There is a place for all of us in God's story, if we choose it.

Ruth made the choice and decision to follow Naomi, to become part of God's plan. Yet even she couldn't have realised the extent to which God would involve her. The epilogue of the story contains an unbelievable twist, a beautiful thread that we almost have to read twice to believe.

Ruth's Defining Legacy

Ruth found a home, belonging, and happiness in Israel and went on to marry Boaz, a wealthy and respected landowner. She was accepted completely into the family of [Abraham](#), father of the Israelite people.

She also became the mother to a little boy called Obed (Ruth 4:16). Obed was the father of Jesse and Jesse, in time, became the father of David, one of the greatest kings in Israel's history. David would become famous, not only for his skill with the harp and his compassionate love for and protection of

his sheep as a shepherd boy but also for his courage and bravery in fighting against the enemy Goliath, his stirring example as a brilliant military leader and king, and his complete trust and faith in God.

Most breathtaking of all, King David became an ancestor of Jesus Christ, God's own Son! This makes Ruth an incredibly significant and vital part of God's plan of salvation for the world.

God's methods often [confound and confuse us](#). He doesn't always choose who we would expect or work in the way we would like. He sees all, from the beginning to the end (Isaiah 46:10), while we can only see a small portion of now. His purpose is perfectly orchestrated and remarkably interwoven in ways that amaze us.

In the story of Ruth, an inconsequential outsider, we see that God gets involved in the lives of all kinds of men and women, bringing about His purpose. We can take confidence and have faith that He can and will work in our lives, in the same way, and that we too can become part of [His story](#), if we choose it.

* Here's another plot twist for those of you who love a good story! Wondering about that "small and insignificant rural village", found at the beginning of this tale? That village is none other than the little town of Bethlehem, where, many years from Ruth's time, a small baby [would be born](#), in humble circumstances, and would be laid, sleeping, in a manger; [Jesus – the hope of the world!](#)

Radical Social Change: A Letter To Philemon

“Injustice: unfairness, unjust act, Unfair: not equitable or honest, not impartial or according to rules, society: organised and interdependent community, system and organisation of this” – The Australian Oxford Dictionary, Third Edition

The issue of social injustice* has always been one that is close to my heart. It's something that I like to talk to my kids about often, to try to impress upon them just how fortunate they are in many aspects of their life. They live in a modern, western country and are possessors of freedoms and rights still not available to many other peoples of the world. My daughters, particularly, have liberties still not accessible to many other [girls and women](#). And on the delicate subject of race, my children haven't had to endure the criticism or racial bigotry experienced by those who clearly display the truth of their indigenous ancestry by the colour of their skin (and who have been and are still being treated unjustly because of it).

Historically, social injustice has often been tolerated or, even worse, promoted on the basis of prejudice and [erroneously applied religious doctrine](#). Religious intolerance has fuelled many of this world's wars and God has been made the “scapegoat” for much of what is the worst of humanity.

One only needs to look, for example, at the [founding document](#) of the devoutly Christian American nation, the Declaration of Independence, to see that what people say and what people *do* are often two quite different things.

The statement in the second paragraph, **“We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights,**

that among these are Life, Liberty and the Pursuit of Happiness” did not prelude American citizens from denying those same rights to thousands of men and women during the infamous period of slavery, based simply on the colour of their skin.

Mistreatment of slaves was further bolstered by their ignorant and prejudicial application of Bible passages. It took nearly 250 years for the official practice of human trafficking and slavery to be abolished in America and yet the affects of slavery are still felt and are at work today in many parts of America, and indeed the world.

Social injustice, however, is not just an American problem, or a historical problem. It's a world problem, manifested in many different ways, and is still a very relevant conversation for modern times.

“Over and over again, in the history of the world, man has made life into chaos.” – Oswald Chambers

What Does God Have To Say About Social Injustice?

God, the creator of all, made all equal. The only difference commented on in Genesis, at the creation of humanity, was our genders – both uniquely special and individually reflective of God's glory. We're told throughout the Bible that God makes no distinction between people based on their social status (Jeremiah 22:3), their ethnicity (Acts 10: 34-35), or their gender (Galatians 3:28).

In fact, we're told that God is just, fair, and completely impartial (Deuteronomy 10:17, Romans 2:11). He despises mistreatment, discrimination or prejudicial treatment:

“Learn to do good; seek justice, correct oppression; bring justice to the fatherless, plead the widow's cause.” | Isaiah

1:17 (ESV)

“This is what the LORD Almighty said: ‘Administer true justice; show mercy and compassion to one another. Do not oppress the widow or the fatherless, the foreigner or the poor. Do not plot evil against each other’ | Zechariah 7:9-10 (NIV)

“Do not judge according to appearance, but judge with righteous judgment.” | John 7:24 (NIV)

This impartiality is thrown into sharp relief against the story found in the letter to Philemon.

Philemon, squeezed between the epistle to Titus and the letter to the Hebrews, is often overlooked and under-read. But it is a truly astonishing and socially radical exposition of exactly how God views all men and women. It tackles the serious and often difficult shift in thinking that is required and shows that belief in and love of God must affect our relationships with others in positive ways and with complete impartiality.

Sometimes, these effects are profound and far-reaching, as in the case of Philemon.

Who Was Philemon?

Philemon was a wealthy, Christian slave owner, living in Colosse, a city which is now in modern Turkey. The area of Asia Minor was a huge melting pot of ethnicities and also one of the [first areas to flourish with converts to the new religion of Christianity](#). Overlaying this was the fact that this area was part of the hugely expansive [Roman Empire](#), at the height of its glory and, as such, was subject to Roman law and Roman customs.

In many cities in the Roman Empire, up to [30% of the](#)

[population were slaves](#). They undertook the bulk of the work required to keep the empire running and were considered to be the legal property of their owners. There were some rules against cruelty, but we would recognise them as the equivalent of 'animal rights', certainly not as human rights. Owners, like Philemon, essentially had the right to treat slaves however they wanted.

Who Was Onesimus?

Typically, a slave would take on the religion of his or her master and Onesimus, the subject of the letter to Philemon, was one such slave. Having converted to Christianity, he then, at some point, fled his master's household and travelled hundreds of miles to where Paul was, the heart of the empire itself, to Rome. Rome differed from Greek city-states in that freed slaves were allowed to become citizens and perhaps this was Onesimus' objective in seeking out Rome.

The testimony of a slave could not be accepted in a Roman Court and they had no rights at all under the law. A master could punish a slave, however he wanted, and punishments included branding, scourging, torture or death. The punishment for a runaway slave was often branding in the forehead and the deliberate breaking of bones or joints.

This was Onesimus' expected fate, under Roman law, and Philemon had every right, as a master and Roman citizen, to enforce such punishment.

Jesus Changes Our Culture

Paul's letter, however, is full of warm entreaty on behalf of Onesimus. He reminds Philemon that God's rule of love transcends any man-made law and that, in Jesus, both slave and master are equal. They are considered brothers, both children of a Heavenly Father. Paul was sending Onesimus back to Philemon, not as just a slave, but as family.

Paul tells Philemon to add any debt owed by Onesimus to his own account but, in fact, considers it a favour to be done for Jesus. Paul is more than confident of Philemon's response and gives much emphasis to "this faith we hold in common...and that people recognise Christ in all of it".

The remarkable transformative power of the Gospel spills from the words in this letter – showing the dramatic ripple effect a response to God has in our personal lives. It challenges everything we do, our belief systems and possibly even misplaced prejudices about others. It compels us to behave justly to others, with impartiality, even though the world around us might not be just or impartial. **It compels us to do better and be better, simply because Jesus is.**

The Gospel of Good News often causes radical upheaval in our own lives as it forces our practices and beliefs to fall into line with the ideals of a true, loving, and socially just God.

"He's already made it plain how to live, what to do, what GOD is looking for in men and women. It's quite simple. Do what is fair and just to your neighbour, be compassionate and loyal in your love, and don't take yourself too seriously – take God seriously." | Micah 6:8 (The Message)

***In this article, "social injustice" is used in conjunction with the dictionary definitions noted at the beginning. Social injustice can be considered to fall into two categories, which are often inter-connected. These categories are defined as 'Inter-Social Treatment' and 'Unequal Government Regulation'. "Inter-Social Treatment involves unequal treatment of a group(s) of people within the local and regional scale. The basis for this unequal treatment is usually due to a personal belief about that group(s): Unequal Government Regulations are laws and regulations that purposefully or otherwise,**

discriminate a group(s) from the same opportunities and resources, based on differences that are unique to that group(s)”

(cited: <https://www.pachamama.org/social-justice/social-justice-issues>) Examples may include: unfair labour practices, racial, gender, age or ethnicity discrimination, inequality of health care or education based on certain criteria and to the worst degree, systematic genocide based on certain criteria.
